EXPERIENCE

Summer Intern at Cutters Studios

Jun 2025 - Oct 2025 | Chicago, IL | On-Site

- Completed daily tasks and managed priorities in the office to maintain an organized, stocked, and welcoming space for staff and clients through consistent communication and adeptness.
- Built, maintained, and provided friendly, memorable, professional, and positive client service experiences with multitasking, daily prepping of trays, lunches, and task runs or deliveries.
- Provided detailed record-keeping for client services invoices, receipts, and accounting needs.
- Shadowed and helped creatives, editors, finishing artists, producers, engineers, and I/O specialists while they worked on projects to learn about and understand their job workflow.

Assistant Editor for Hustler Editorial

Apr 2025 - Present | Remote | Freelance

- Freelanced as an Assistant Editor by ingesting clips, pulling selects, editing sequences, uploading revised passes after receiving feedback, prepping for color, and troubleshooting.
- Worked closely with the lead editor, colorist, project directors, producers, and clients to maintain a consistent and organized workflow throughout each project.

Videographer and Editor for Lotus Speech Academy

Feb 2025 - Mar 2025 | On-Site, Remote | Freelance

- Filmed and edited video content for the company website and YouTube Channel.
- Worked closely with the client to create both video and graphic design content that matched the company's vision

Archival Researcher for Backbone Films

Oct 2024 - Dec 2024 | Remote | Freelance

- Worked closely with the filmmaker and producer to assist in collecting archival records and footage across multiple databases/libraries while maintaining an organized method of cataloging found footage and archival data into Excel spreadsheets.
- Successfully gathered and analyzed research to ensure consistency in content through professional communication and virtual meetings to create relationships, obtain information, and gain archival access.

Summer Intern at Hootenanny

Jun 2024 - Sep 2024 | Chicago, IL | On-Site

- Shadowed and learned all staff's daily work, focusing on executive and assistant editors' projects.
- Edited a project from start to finish with critique from editors.
- Helped with daily tasks in the office to maintain an organized and welcoming space.
- Observed live client sessions with the editor's various projects and assisted in creating a welcoming environment to maintain positive client relationships.
- Learned how to build, maintain, and provide professional client experience and services through effective communication, preparing trays, lunches, and client gifting.
- Collaborated and took social media ideas from ideation to completion for Hootenanny's platforms.

Social Media Video Editor at BobaBros

Jan 2024 - Jun 2024 | Orland Park, IL | Remote

- Organized, edited, and color-graded daily footage into social media content across multiple platforms that was true to the company's brand and current trends.
- Managed the delivery of video content, ensuring all content was delivered on time and met the client's specifications.
